

Household Hazard Waste / Electronics Recycling Event
Get rid of hazardous materials and unwanted electronics same day, same event.

The Stanly County Solid Waste Dept. the City of Albemarle and the North Carolina Department of Agriculture and Consumer Services will be providing again this year the Household Hazardous Waste Event.

A household hazardous waste collection event and an electronics-recycling event will be held Saturday, **April 10th from 9 a.m. to 1 p.m.** in the rear parking lot of the Agri-Civic Center. Materials accepted for hazardous waste recycling/disposal:

Acids/bases, aerosols, automotive products, drain openers, flammables, furniture finishes / strippers, household batteries, household cleaners/polishes, paint and paint products and wood preservatives.

Pesticides: Nearly all pesticide products will be accepted. For liquid pesticide containers larger than 5 gal or for unlabeled pesticides, please contact the Cooperative Extension Office for information before bringing to the collection event. 704-983-3987 Steve Lemons

DO NOT BRING items, which are explosive, biologically active or infectious, radioactive or non-hazardous.

Waste will not be accepted from commercial businesses (small or large quantity hazardous waste generators). Regular everyday trash **will not** be accepted nor will recyclables. All the Stanly County Convenience Centers are equipped for receipt of used motor oil. Three centers are equipped for receipt of anti-freeze. **DO NOT BRING** these items to the collection event.

Leave all materials in their original containers, place in a cardboard box and transport in trunk or rear area of your vehicle.

Electronics Recycling Collection:

Electronics contain heavy metals such as lead, mercury and cadmium. No matter how state-of-the-art a landfill is, this type of material should not be disposed in this way. You now have the opportunity to recycle a large portion of the electronics waste stream and to protect our environment.

Acceptable Items:

Computers, monitors, typewriters, printers, copiers, fax machines, scanners, TVs, VCRs, radios, basically anything with a circuit board. Stanly County Convenience Center located on Newt Rd. accepts electronics on regular basics. (**Newt Rd. no longer accepts TV's**).

NO SMALL APPLIANCES ACCEPTED, such as hairdryers, curling irons, microwaves.

NO LARGE APPLIANCES ACCEPTED, such as washers, dryers, freezers, cook stoves or refrigerators. Stanly County Convenience Center located on Newt Rd. accepts these white goods.

For more information call Jerry Morton at 704-986-3698. Stanly County Facilities Management/Solid Waste Dept.
