Message from the City Administrator

Our summerscape program is filling up! I encourage you to sign your children up for the Locust Summerscape Camp in the Park as slots are limited. We are also continuing to encourage our local businesses to purchase a sign in the park. This is great advertisement and the funds will go towards the park programs.

Please check our website for the new look, we have updated it to be more user friendly. There are items added to keep you updated as we continue to grow.

Our movies in the park series is scheduled to start on June 20th. As always if you have questions or concerns please feel free to contact me.
